Further enquiry was made.
The Senior Surgeon states that 1st Class
Hospl Apptt Samuel Kittoo, who was,
while in independent charge of the
Gold Fields Dispy, drawing an allowce
of Rs 40/- as particularised in the
margin of para 100 of this note, Continued
to draw, after the opening of the Civil
Hospital in July 1901, only an allowce
of

of Rs 30/- a month (and not Rs 40/-) upto the end of May, 1903 when he was transferred to the L.I. Dispensary at Bowringpet. The balance of Rs 10/- was not drawn by that Hospl Apptt as it was intended for charge allowce, and as the Civil Surgeon not the Hospl Apptt, was in charge. This item is confirmed by the Comptroller's letter of the 11th January, 1904.

Papers with pleas J. J & K

Subsequently, i.e. from June 1903, 1st class Hospital Apptt Sundaram Pillay (transferred perhaps in place of Samuel Kittoo) and 2nd class Hospital Apptt Chinnasamy Naikar (who has been working in the Civil Hospital for some years past) have been, the Senior Surgeon states, drawing each an allowce of Rs 20/- a month on the understanding that they should refund the amount in case the allowances are not sanctioned by Govt

But what the Comptroller states in this respect is that Hospl Apptt Sundaram Pillay has been drawing a horse allowce of Rs 20/- and an add'l allowance of Rs 10/- from 1st June 1903, and that 2nd Class Hospital Apptt Chinnasamy Naiker has been drawing a charge allowance of Rs 10/- a month from the 14th July, 1901, under Govt Proc No 4094-5 M. 726-94 dated the

the 4th September 1901, and an addl allowance of Rs: 10/ from August 1903
The order of the 4th September, 1901 did not authorize the payment of any allowce It was merely an order recording the S. Surgeon's letter of the 17th August, 1901, furnishing details for the provision of Rs: 5348/- made in the Mecical Budget for that year (1901-02), for the K.G. Fields Civil Hospital. The payt ordered under the authority of the order of the 4th Septr 1901, of a charge allowance of Rs 10/- to 2nd class H. Aplt Chinna Samy Naicker from the 14th July, 1901, was a mistake made in the Comptroller's Office.

It is a question for consideration Why the allowances disbursed to the Hospital Assistants without the sanction of Govt should not be refunded.

19/2/04

Subd to the Dewan through the 2nd Councillor 29/2/04

There has been much a laudable confusion in this case - The Lemon Hospital Apptt clerk and horse allowances ought to have been allotted as soon the Hospital ~~was~~ with a Civil higher ~~Surgeon~~ officer in charge was established But the clerk allowance was allotted while the horse allowance was continued This was wrong Both the Lemon Hospital Apptt & another deem to have also drawn a local allowance of Rs 10 each on account of

The drawing of the Place - Under the circumstances stated in the office note this cannot altogether be regarded as an unauthorized item - There is at this late stage no use reopening the question. There are now 3 Chaplains - None of them is entitled to any other allowance than a local allowance which cannot be regulated by the order of 9/6/03 - The Senior Chaplain may be informed accordingly. All other allowances must also be discontinued - The distribution of the 40 Rs in question in the manner proposed cannot be sanctioned

Quite right - Send up 5.3.04

My only doubt is whether the allowance admissible under the order of 9/6/03 is not too small for all of them - Let us however enforce the scale - C
